LICKNRIFF TABS

THE COMPLETE COLLECTION

ARRANGED BY ASSAF LEVAVY

Hey There LickNRiffers!

This is a lot of tabs.

Every single tab I wrote since 2011. They're all here.

You can go over the table of contents and discover many of your favorite songs, arranged into fingerstyle.

I wish you a lot of fun. I wish you a journey of musical discovery. And I wish you a great time with your guitar.

Remember that the first video of your free guitar workshop is already live and waiting for you. If you somehow missed it, then check your email inbox. If it's not there, check your spam folder or your Promotions folder.

You're going to take your playing to a phenomenal level. Sooner than you think.

See you on LickNRiff and on the workshop!

Keep playing,

Assaf
